PURPOSE:

The Del Ray Baptist Church (DRBC) internship is designed to assist men who desire to grow in their understanding of the Bible, the church, and how the Gospel intersects with everyday life. Most men who take part in the internship have pastoral ministry as their aim, though this is not a requirement. Former interns have gone on to be faithful members of their church, lay pastors, full-time pastors, and church-planters.

Our internship runs for 9 months and provides unique learning opportunities that include reading, writing, observing, and serving. What follows is an overview of the program and a sample schedule. If you are interested in applying for the internship, click [here](#) and fill out our on line application.

TIMELINE:

Fall 2017	Spring 2018
Tuesday, 9/5/17-Friday, 12/15/17	Tuesday, 1/2/18-Friday, 5/25/18

WHAT MAKES UP THE INTERNSHIP?

- **Reading** – You will have weekly assignments from books, articles, and other resources due at a relatively fast pace. Ensure you are reviewing the schedule in advance to avoid getting obliterated during a heavier week. DRBC will supply any books you don't already own.
- **Writing** – Papers are due each Wednesday at 3pm to Garrett. We strongly prefer that you write in Times New Roman 12 font with normal margins and either 1.5 or 2 line spacing. Garrett reserves Wednesday afternoons to review your work in preparation for our Thursday discussion. He does not plan to tell his wife and kids he can't hang out with them in the evening because you turn your paper in at 5pm. If you think you are going to be late in handing in a paper, please text or email him in a reasonable time prior to the 3pm cut off. There is grace, but do not sin so grace may abound.
- **Discussion** – Garrett facilitates discussions each Thursday over lunch based on the reading and assignments for the given week. You will also have impromptu meetings that allow you

to process things you are learning. Other staff and elders make themselves available as they are able to assist you in thinking through what the Lord is teaching you.

- **Bible** –You will be expected to attend Bible time on Wednesday and Friday mornings from 6:30-7:30AM, as well as Wednesday evening Bible studies 7:00-8:00PM. Both meet at DRBC. Building on these times in the Word, you will have Bible reading projects due throughout the internship. More detail will be provided during the first week of your internship. One of the goals of the internship is to help you better understand the Bible as a whole, but also how to approach studying and teaching the Bible. Over the course of the internship you will cover, to differing degrees, 20-30 Bible books.
- **Equipped to Counsel (ETC)**– In the spring you'll join a Biblical counseling course open to DRBC's congregation taught by Associate Pastor, John Henderson. Readings are assigned each week and discussed in a Wednesday evening class at the church. During the spring, you will not be expected to also attend the Wednesday PM Bible study, as that would be physically impossible. If ETC doesn't meet in the spring, you're free to attend Bible study.
- **Administrative Service** –Each week, our Operations Administrator will entrust you with 3 hours of administrative tasks to support the work of DRBC. If you can't be a servant, you can't be a leader in Christ's kingdom. Own this time of service as an important part of your training.
- **Elder Meetings** – You will be expected to attend DRBC's elder meetings on the 1st and 3rd Thursday of every month. Your role in these meetings is to observe, and you should not chime in with wisdom unless you are invited to do so. As you observe, you are encouraged to consider how you would handle topics that come up if you were an elder. You'll be able to discuss these meetings offline with Garrett and other elders following the meetings.
- **Membership Interviews** – You will be invited to sit in on interviews with prospective members of the church from time to time. These are scheduled throughout the week as well as Sunday mornings before the main service begins. An elder will facilitate this meeting and may invite you to take notes as the prospective member shares their testimony.
- **Staff Meeting** – You will be expected to attend staff meetings each Tuesday mornings from 8:30-10:30AM, most normally at St. Elmo's Coffee Pub, located near the church. During this meeting, we pray for church members, coordinate calendars, review all services from the previous Sunday, and provide insights for the upcoming Sunday sermon. Once a month, we meet at the church and spend extra time for prayer until the lunch hour.
- **Lunches** – We encourage you to make the most of your time throughout the week by using your lunches to connect with elders, members, fellow interns, other pastors in the area, or non-Christians you are developing relationships with.
- **Travel** – Throughout each semester, opportunities may arise for you to join me on trips. As these opportunities become available, we will let you know the logistics.

- **Garrett's Day Off** – Monday is Garrett's day off, which he guards fiercely. Deaths or emergencies are about the only thing that encroach on this day. He is happy to discuss this if you'd like.

Below is a sample schedule to give you a sense of the day-to-day life during the internship:

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
9-9:30AM Prayer			6:30-7:30AM Bible Time		6:30-7:30AM Bible Time

ASSIGNMENTS:

Week 1 Papers

The first 5 papers should be turned in the week before the internship. For the 2017-18 class, please email them to Garrett in PDF form by Wednesday, August 30 at 3:00pm ET. These papers allow Garrett to get a sense of how to pray for you and areas you may need to grow in while you are with us.

- *Humility* by C. J. Mahaney and *When People are Big and God is Small* by Ed Welch
As you read these, ask God to expose your heart. What areas of sin were revealed? What graces were unearthed? What changes do you need God to work in you? What questions were left unanswered for you? Do a **3-5 page reflection on each of these books.**
- *Screwtape Letters* by C.S. Lewis
After reading the book and meditating on 1 Peter 5:8, create a **1-2 page letter** describing how Satan strategizes against you. What personal weaknesses does he exploit? What are the

strengths he tempts you to boast in? When are you most vulnerable? What haunting memories does he use against you? What fears of the future does he whisper in your ear?

- *3 Book Series on the Church* by Joe thorn
After reading the books, write a **2-3 page paper** describing topics or questions about the church you hope to resolve. This could center around the nature of the church, her mission, leadership structures, issues surrounding membership / discipline, how a church ought live out the one another commands together, or anything else that you find yourself desiring to learn about in the coming months.
- *What I Expect from the Internship*
What do you hope to gain (spiritually, intellectually, relationally) over the next nine months? What are you hoping for from Garrett, the elders, the church, your spouse (if applicable), and other church members? This should be **no more than 2 pages**.

Position Papers

- Position papers are lengthier papers on various subjects including *The Nature and Mission of the Church? The Role of Elders and Deacons? Evangelism? Your Position on Divorce and Remarriage*. The goal of these papers is to help you reach theological conclusions about important subjects. While you may quote other authors, don't fill your paper with quotes. Reference Scripture and your personal interpretation of those Scriptures. We care less about what Piper, Spurgeon, Wesley, or Dever thinks. We want to know what **you** think.
- In your ***Evangelism paper***, the expectation is that you would not only discuss what evangelism is and its best practices, but also recount 10 Gospel conversations / attempts at conversations that you've had since the beginning of the internship. This means you'll need to be prayerful and intentional to be speaking with people about what it means to follow Jesus.

Bible Study

- During the semester, we will be studying between 20-30 books of the Bible. This will happen during the morning Bible Time, Wednesday evening study, and during the morning worship service. As part of your training you will develop a one-page background sheet for each book of the Bible prior to studying it together. These sheets will include a personally developed outline of the book, key background issues, and important observations from the book. A sample from 1 John can be seen [here](#).
- Garrett will also teach two Bible Boot Camps (one in the fall, one in the spring). These are verse-by-verse studies through entire books of the Bible. You will join him in preparing for this which includes reading the book together, outlining it, developing a background information sheet, and writing light commentary on the entire book.
- In the spring, you will develop a timeline of the Old Testament from 1 Samuel to Malachi including dates of significant events. At the end of the spring semester, the class will teach through this portion of the Bible in a setting open to the church. Include one sentence summaries of each king and brief summary of each prophet who ministered in those days.

Tips from Garrett on writing papers...

- Make notes as you read. Mark up your books. This will help you as you write better papers.
- Write for future reference. Create documents you can come back to later and use for future ministry.
- Don't just tell us what the book says. We want you to tell us what you think about what the book says. Be short on summary and deep on engagement.
- Make it personal. What challenged you? What do you disagree with? What applies to your soul? What applies to our church? How is our church struggling or excelling in what your reading about? How do you see this applying in a future ministry context?
- Don't leave us hanging. Don't fill a paper with a list of questions you haven't resolved. There will be plenty of time for questions. Work hard to arrive at conclusions in your papers.
- If you haven't written very much, don't feel overwhelmed. Your papers will improve as the year goes along. Writing is hard but helpful work. Pray to God for help. He'll give it.
- Use any of the staff or elders to process what you are learning and to discern what you should write about as you work on your papers.
