PURPOSE:

The Del Ray Baptist Church (DRBC) internship is designed to assist men who desire to grow in their understanding of the Bible, the church, and how the gospel intersects with everyday life. Most men who take part in the internship have pastoral ministry as their aim, though this is not a requirement. Former interns have gone on to be faithful members of their church, lay pastors, full-time pastors, and church-planters.

Our internship is 9 months long and provides unique learning opportunities including reading, writing, observing, and serving. Following is an overview of the program and a sample schedule. If you are interested in applying for the internship, click [here](#) and fill out our online application.

TIMELINE:

Fall 2022	Spring 2023
<i>Fall Assignments:</i> September 1 - December 23 <i>Equipped to Counsel:</i> September 21 - December 7	<i>Spring Assignments:</i> January 2 - May 26 <i>Equipped to Counsel:</i> January 4 – May 3

WHAT MAKES UP THE INTERNSHIP?

Reading – You will have weekly assignments from books, articles, and other resources due at a relatively fast pace. Ensure you are reviewing the schedule in advance to avoid getting obliterated during a heavier week. DRBC will supply all books.

Writing – Papers are due each Wednesday at 1pm to Garrett. Please email them and print them out (double-sided please). We strongly prefer that you write in Times New Roman 12 font with normal margins and 1.5-line spacing. Garrett reserves Wednesday afternoons to review your work in preparation for our Thursday discussion. He does not plan to tell his wife and kids he can't hang out with them in the evening because you turn your paper in at 5pm. If you think you are going to be late in handing in a paper, please text or email him in a reasonable time prior to the 1pm cut off. There is grace, but do not sin so grace may abound.

Discussion – Garrett facilitates discussions each Thursday morning from 9:00am-11:30am based on the reading and assignments for the given week. You will also have impromptu meetings that allow you to process things you are learning. Staff and elders make themselves available as they are able to assist you in thinking through what the Lord is teaching you.

Bible Time – You will be expected to attend Bible time on Tuesday and Thursday mornings from 6:30-7:30AM at DRBC. In addition to these times in the Word, you will have Bible reading projects due throughout the internship. More detail will be provided during the first week of your internship. One of the goals of the internship is to help you better understand the Bible as a whole, but also how to approach studying and teaching the Bible. Over the course of the internship you will cover, to differing degrees, 20-30 books of the Bible.

Equipped to Counsel (ETC) – Throughout the internship, you'll join a Biblical counseling course open to DRBC's congregation taught by elder, Danny Falcone, and his wife, Melissa. Readings are assigned each week and discussed in a Wednesday evening class at the church. ETC is comprised of attending class, reading assigned materials, engaging in a counseling practicum and counseling journal. Credit for seminary and ABC certification can be discussed.

Administrative Service – Each week, our Administration staff will entrust you with 3 hours of administrative tasks to support the work of DRBC. If you can't be a servant, you can't be a leader in Christ's kingdom. Own this time of service as an important part of your training.

Preaching Preparation – Each month or so, you will have opportunity to sit with a pastor as he prepares to preach or teach God's Word to our church. Every pastor's prep looks a little different, but this diversity is one of the points of the exercise. These meetings will be scheduled after you arrive.

Elder Meetings – You will be expected to attend DRBC elder meetings on the 1st and 3rd Thursday of every month. Your role in these meetings is to observe. You should not chime in with wisdom unless you are invited to do so. As you observe, you are encouraged to consider how you would handle topics that come up if you were an elder. You'll be able to discuss these meetings with Garrett and other elders following the meetings.

Membership Interviews – You will be invited to sit in on interviews with prospective members of the church from time to time. These meetings are scheduled throughout the week as well as Sunday mornings before the main service begins. An elder will facilitate this meeting and you will take notes as the prospective member shares their testimony.

Staff Meeting – You will be expected to attend staff meetings Tuesday morning from 8:30-11:00AM at the church. During this meeting, we pray for church members, coordinate calendars, review all services from the previous Sunday, and provide insights for the upcoming Sunday sermon.

Lunches – Lunches are valuable times. We encourage you to make the most of this time by connecting with your elders (seriously! They want to do lunch with you), members, fellow interns, other pastors in the area, or non-Christians you are developing relationships with.

Travel – Throughout each semester, opportunities may arise for you to join Garrett on trips. As these opportunities become available, we will let you know the logistics.

Garrett’s Day Off – Monday is Garrett’s day off, which he guards fiercely. Deaths or emergencies are about the only thing that encroach on this day. He is happy to discuss this if you’d like.

Below is a sample schedule to give you a sense of the day-to-day life during the internship:

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
<p>8:30AM Prayer</p> <p>9:00AM Adult Seminar</p> <p>10:30am Main Service</p> <p>5:00-6:30pm Evening Service (1st/3rd Sundays)</p>	<p>Self-Paced: Reading, Writing, Lunches with elders, etc.</p>	<p>6:30-7:30AM Bible Time</p> <p>8:30-10:30AM Staff Meeting</p>	<p>Self-Paced: Reading, Writing, Lunches with elders, etc.</p> <p>6:15-8:15PM Equipped to Counsel</p>	<p>6:30-7:30AM Bible Time</p> <p>8:30-11:00AM Intern Discussion</p> <p>6:00-9:00PM Elder Meetings (1st/3rd Thursdays)</p>	

ASSIGNMENTS:

Week 1 Papers The first six assignments should be turned in the week before the internship. Please email them to internship@drbc.org in PDF form by Wednesday, August 31 at 1:00pm ET. These papers allow Garrett to get a sense of how to pray for you and areas you may need to grow in while you are with us.

Do More Better by Tim Challies will prepare and equip you to manage your time well during the internship. Though you are not required to put into practice every suggestion in the book, it will be wise to adopt some of his recommended habits and tools in order to steward your opportunities and time well in the DRBC internship. **Write a 1-2 page reflection** on the principles and practices you will aim to put in place from this book.

The Path to Being a Pastor by Bobby Jamieson will help you see broadly how we think about pastoral ministry, the local church, and the Christian life. Reflect on how you've thought about the journey to pastoral ministry and how this book has influenced your thinking to be different now. In particular, share how you can put into practice at our church what you've read. **Write a 1-2 page reflection.**

The Life of the Church by Joe Thorn & *Church: Do I Have to Go?* By Garrett Kell
After reading the books, write **ONE 1-2 page paper** describing topics or questions about the church you hope to resolve. This could center around the nature of the church, her mission, leadership structures, issues surrounding membership / discipline, how a church ought to live out the one another commands together, or anything else that you find yourself desiring to learn about in the coming months.

Putting God First (book) by Zach Schlegel, *Cure of Souls* by David Powlison, and *Stop Photobombing Jesus* by Garrett Kell (online), Write one **1-2 page reflection** on these readings combined, with particular focus on personal application toward seeing yourself as a servant of Christ.

Giving Godly Encouragement (online) & *Giving Godly Criticism* (online) by Garrett Kell. As you read, ask God to expose your heart. What areas of sin were revealed? What graces were unearthed? What changes do you need God to work in you? What questions were left unanswered for you? Write a **1-page reflection.**

Screwtape Letters (any letter) by C.S. Lewis & *I Was a Pastor Hooked on Porn* by Garrett Kell. After reading the book and meditating on 1 Peter 5:8, create your own **1-2 page screwtape letter** describing how Satan strategizes against you. This is a creative paper that should be written from the vantage point of a demon who is plotting to tempt you. What personal weaknesses does he exploit? What strengths does he tempt you to boast in? When are you most vulnerable? What fears for the future or haunting memories does he use against you?

What I Expect from the Internship

What do you hope to gain (spiritually, intellectually, relationally) over the next nine months? What are you hoping for from Garrett, the elders, the church, your spouse (if applicable), and other church members? This should be a **1-2 page paper.**

Position Papers

Position papers are lengthier papers detailing your views on various subjects. The goal of these papers is to help you reach theological conclusions about important subjects. I'm expecting you to reference, interpret, and apply Scripture to these topics in a way that will edify you and any who read your paper. You may quote other authors in these papers, but please don't fill your paper with quotes. Garrett wants to hear more about what you think and less about what Augustine, Calvin, Spurgeon, Piper, or Dever thinks. These papers are 7-10 pages unless otherwise noted.

Nature and Mission of the Church—discuss what the church is, define and defend church membership, church discipline, and the mission of the church.

Elders—discuss who elders are, what their role is in the church, who can serve in those roles and what process you would recommend to test prospective people for those roles, how do elders and deacons relate to the congregation, as well as other related topics.

Deacons—discuss who deacons are, what their role is in the church, who can serve in those roles and what process you would recommend to test prospective people for those roles, how do elders and deacons relate to the congregation, as well as other related topics.

Evangelism—discuss what evangelism is and its best practices for individual Christians as well as a local church. In an appendix, please recount 10 gospel conversations / attempts you've had since the beginning of the internship. This means you'll need to be prayerful and intentional to be speaking with people about what it means to follow Jesus during the internship.

Preaching—discuss what is it, how do you do it, who should do it, why should you do application and how do you develop it well, and interact with the reading on various points of personal application.

Theological Tiers Project—while all matters of belief are important, not all matters are of equal importance. Discerning which hills we die on, and which ones we are happy to live on in disagreement is essential. This project is intended to assist you in discerning how to categorize various issues of belief in order of their importance. You will arrange roughly 100 topics into one of four categories.

Divorce and Remarriage—marriage is one of God's great gifts to humanity. Sadly, sin can have tragic consequences, including divorce. This project is intended to help you develop biblical convictions about marriage, divorce, and remarriage.

Role of Women in Ministry—when God graciously calls someone to Himself, He gifts and empowers them to serve in His church. In His wisdom, He has created everyone differently and called each to serve in their unique role. This project is intended to help you develop biblical convictions concerning the roles of women in the local church and beyond. At the end of the syllabus you'll find a list of questions that I'm asking you to answer in 300 words or less. As you answer, strive to do so as a pastor who is giving counsel to a hurting family seeking answers.

Bible Study

During the semester, we will be studying between 20-30 books of the Bible. This will happen during the morning Bible Time, Wednesday evening study, and during the morning worship service. As part of your training you will develop a one-page background sheet for each book of the Bible prior to studying it together. These sheets will include a personally developed outline of the book, key background issues, and important observations from the book. A sample from 1 John can be seen [here](#).

Garrett will also teach two Bible Boot Camps (one in the fall, one in the spring). These are verse-by-verse studies through entire books of the Bible. You will join him in preparing for this which includes reading the book together, outlining it, developing a background information sheet, and writing light commentary on the entire book.

Tips from Garrett on writing papers...

- Make notes as you read. Mark up your books. This will help to write better papers.
- Write for future reference. Create documents you can come back to later and use for future ministry.
- Don't just tell us what the book says. We want you to tell us what you think about what the book says. Be short on summary and deep on engagement.
- Make it personal. What challenged you? What do you disagree with? What applies to your soul? What applies to our church? How is our church struggling or excelling in what your reading about? How do you see this applying in a future ministry context?
- Don't leave us hanging. Don't fill a paper with a list of questions you haven't resolved. There will be plenty of time for questions. Work hard to arrive at conclusions in your papers.
- If you haven't written very much, don't feel overwhelmed. Your papers will improve as the year goes along. Writing is hard but helpful work. Pray to God for help. He'll give it.
- Use any of the staff or elders to process what you are learning and to discern what you should write about as you work on your papers.
